

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version :** 1
Print date : 11.02.2021

1. Identification of the substance and/or the compound and the company

1.1 Product identifier

Trade name: Crescita Miracolosa
sticks concime piante verdi

Other Names: Mineral NPK-Fertilizer 16+5+9 with magnesium and trace nutrients

1.2 Relevant identified applications of the substance or compound and applications to be avoided

Application of substance / preparation: Fertilizer

1.3 Details for supplier providing safety data sheet

Company: BLUMEN GROUP SPA
Via C. Strinati 7/9 – Loc. LE Mose
29122 Piacenza (PC)
Italy

Telephone: +39 0523.573211
Internet: www.blumen.it

Responsible for the safety data sheet:
Company: Düngemittelwerk COSWIG GmbH
Antonienhüttenweg 24
D-06869 Coswig (Anhalt)

Telephone: +49 (0)34903697-0
Fax: +49 (0)34903697-30
e-mail: zentrale@dmw-coswig.de

1.4 Emergency telephone number

Poison emergency contact Germany Tel.: +49-30-19 24 0
Fax: +49-30-30 68 6-7 99
e-mail: mail@giftnotruf.de
WWW: <http://www.giftnotruf.de>

2. Possible hazards

2.1 Categorization of substance or compound

Categorization according to regulation (EC) No. 1272/2008

The product is not categorized and identified pursuant to GHS regulation.

Categorization according to guideline 67/548/EEC or guideline 1999/45/EG

The product is not categorized

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**

Print date : 11.02.2021

2.2 Identifying details

Identification according to regulation (EC) No. 1272/2008

The product is not categorized and identified according to GHS regulation.

2.3 Other hazards

- Ignition of the decomposition products of the organic bonding agent occurs when high heat applied.
Flame extinguishes when source of ignition is removed.

3. Composition/ information on contained substances

NPK-fertilizer on the basis of nitrogen, phosphor and potassium compounds as well as trace element compounds. Organic bonding agents are also contained.

Hazardous contents

Chemical name	CAS-No.	EC-No.	Categorization 67/548/EEC	Categorization (EC) 1272/2008	Concentration [%]

Does not contain health-hazardous or environmentally-hazardous substances pursuant to regulation (EC) No. 1272/2008 in single concentrations > 1% of weight, and substances that are persistent, bioaccumulable and toxic in single concentrations > 0.1% of weight.

4. First Aid measures

4.1 Description of first aid measures

Inhalation: inapplicable

Skin contact: inapplicable

Eye contact: rinse generously with water

Swallowed: rinse mouth and drink generous amounts of water;
consult doctor at signs of illness

4.2 Most important acute or delayed symptoms and effects

Effects: No additional information available.

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**

Print date : 11.02.2021

4.3 Information on medical first aid or special treatment

Treatment: Treat according to symptoms

5. Fire-fighting measures

5.1 Extinguishing agent

Suitable extinguishing agent: Water

Unsuitable extinguishing agent: Select extinguishing agent according to surrounding fire

5.2 Particular hazards generated by substance or compound.

Particular hazards upon
extinguishing of fire:

Product is not flammable. Hazardous decomposition products may be released at temperatures higher than 130 °C.
nitrogen monoxide, nitrogen dioxide, nitrous oxide,
ammonia

5.3 Instructions on fire extinguishing

Special protective equipment
for fire extinguishing:

Wear respiratory protection apparatus that is independent of circulating air.

Additional instructions:

Remaining fire and contaminated water used for extinguishing fire must be disposed of according to local regulations.

6. Measures to combat unintentional release

6.1 Person related cautionary measures, protective gear and procedures to deal with emergencies.

Person-related
cautionary measures: none

6.2 Environmental protection measures

Environmental protection
measures:

Do not allow product to enter sewerage system, bodies of surface water or ground water.

6.3 Methods and materials for retention and cleaning

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**

Print date : 11.02.2021

Cleaning procedures /

Uptake: Mechanical uptake, in suitable recovery or disposal containers.

6.4 Reference to other articles

Additional information

Guidelines on safe handling see article 7.

Guidelines on protective equipment and hygienic measures see article 8.

Guidelines on disposal see article 13.

7. Handling and storage

7.1 Protective measures for safe handling

Guidelines on safe handling: No special measures required if applied appropriately

Guidelines on fire and
explosion protection:

The product is not flammable.

Hygienic measures:

Keep away from food and beverages.
Avoid lengthy and intense contact with skin.
Avoid contact with eyes.

7.2 Conditions for safe storage with consideration of intolerances

Information on
storage conditions:

Keep dry.
Keep away from direct sunlight.

Requirements for storage rooms
and containers:

Store only in original container.
Keep dry.
Protect from dirt and other contaminants.

LGK 13 (Not flammable solids)

7.3 Specific end uses

No further recommendations.

8. Limitations and monitoring of exposure / Personal protective equipment

8.1 Parameter to be monitored

Exposure limits unavailable.

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**

Print date : 11.02.2021

8.2 Limitations and monitoring of exposure

Contains no elements with workplace related limitations requiring monitoring.

Personal protective equipment

Protective equipment: Not required.

Hygienic measures: Keep away from food and beverages.
Avoid lengthy and intensive skin contact.
Avoid contact with eyes.

9. Physical and chemical characteristics

9.1 Information on basic physical and chemical characteristics

aggregate state:	solid
colour:	green
odour:	odourless
odour threshold:	undetermined
pH-value:	6 to 8 (suspension of 50 g/l water)
freezing point:	not applicable
boiling point:	not applicable
flash point:	not applicable
evaporation rate:	not applicable
flammability:	not applicable
upper/lower explosion limits:	not applicable
vapour pressure:	not applicable
vapour density:	not applicable
relative mass:	not applicable
solubility in water:	partially soluble
partition coefficient:	
n-octanol/water:	not applicable
spontaneous combustion temperature:	not applicable
decomposition temperature:	undetermined
viscosity:	undetermined
explosive characteristics:	no explosion hazard
oxidising characteristics:	not oxidise

9.2 Other information

fire accelerating characteristics: not fire accelerating
mass: approximately 1.2 g/cm³ (at 20°C)

10. Stability and reactivity

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**
Print date : 11.02.2021

10.1 Reactivity

Circumstances to be avoided: Keep fertilizer sticks dry at all times.

Substances to be avoided: Heavy leaching (releases ammonia)

10.2 Chemical stability

The product is stable under normal ambient conditions and at the recommended temperature and pressure conditions in storage and handling.

see article 9.1

10.3 Possibility of hazardous reactions

Hazardous reactions: Heavy leaching will release ammonia.

10.4 Conditions to be avoided

Conditions to be avoided: Keep fertilizer sticks dry at all times.

10.5 Incompatible materials

Substances to be avoided: Heavy leaching (release of ammonia)

10.6 Hazardous decomposition products

Hazardous decomposition products: Nitrogen monoxide, nitrogen dioxide, nitrous oxide, ammonia

11. Toxicological information

11.1 Information on toxicological effects

Acute toxicity:	undetermined
Skin irritation:	none
Irritation effects on the eye:	slightly irritating
Corrosion effect:	undetermined
Allergisation:	undetermined
Toxicity with repeated use:	undetermined
Carcinogenicity:	undetermined
Mutagenicity:	undetermined
Reproductive toxicity:	undetermined

Experience gained through practical application: No observations have been made that indicate hazardous qualities.

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**

Print date : 11.02.2021

12. Environmental information

12.1 Toxicity

Ecological toxicity: Slightly hazardous to water.
Do not allow substance to enter the groundwater, surface water or sewerage system in undiluted form or in large quantities.

12.2 Persistency and biodegradability

Persistency and biodegradability: Biologically degradable

12.3 Bioaccumulation potential

Bioaccumulation potential: No bioaccumulation

Other ecological information: High probability of not being acutely hazardous for water organisms.
An increase in the toxic effect on aquatic organisms is to be expected at higher pH levels, such as are naturally found in bodies of water.

12.4 Mobility in the soil

No further relevant information available

12.5 Results of the PBT and vPvB assessments

Not applicable

12.6 Other hazardous effects

Do not release substance in large quantities or undiluted into the groundwater, surface water or the sewerage system.

13. Instructions on disposal

13.1 Procedures for handling of waste

Product: Do not dispose with household garbage. Do not release into the sewerage system.
The product is to be used as a fertilizer. The possibility of an agricultural application should be investigated before landfilling.

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**

Print date : 11.02.2021

Contaminated packaging: Disposal in accordance with official regulations. Containers with remainder of product removed may be reused or recycled after cleaning with water.

Product waste code: 02 01 09: Waste from chemicals for agriculture with the exception of those that fall under 02 01 08.

14. Instructions on transport

Article 14.1 to 14.5

ADR	no hazardous material
ADN	no hazardous material
RID	no hazardous material
IATA	no hazardous material
IMDG	no hazardous material

14.6 Particular cautionary measures for transport

See Sections 6 to 8

14.7 Bulk material transport in accordance with addendum II of the MARPOL-Agreement 73/78 and the IBC-Code

No transport as bulk cargo pursuant to IBC-Code

15. Legal provisions

15.1 Regulations on safety, health, and environmentally-specific lawful regulations for the substance or compound.

Identification according to regulation (EC) No. 1272/2008

The product is not subject to required labelling.

National regulations

Water hazard class: WGK 1, slightly hazardous to water

Technical instructions - air: not subject to regulation

Hazardous incidents ordinance: not subject to regulation

Limitations of use: none

Hazardous materials regulations: not subject to regulation

Other regulations: none

Material Safety Data Sheet

In accordance with Regulation (EC) No. 1907/2006

Trade name : **Crescita Miracolosa**
sticks concime piante verdi

Revised on : 08.02.21 **Version : 1**
Print date : 11.02.2021

15.2 Substance safety evaluation

No safety evaluation has been undertaken for the compound.

16. Other information

The information provided in this safety data sheet reflects our knowledge and experience to the best of our understanding. It describes our product with regard to safety requirements but does not reflect a guarantee of any particular qualities. The information is not applicable to other products.

Changes from the last version: not applicable

Data sources used to compile data sheet:

Preparation guidelines (1999/45/EC)
Substance guidelines(67/548/EEC)
REACH-regulation (EC) No. 1907/2006
Regulation (EC) No. 1272/2008 GHS regulation
Regulation (EU) No. 453/2010

Complete version of the R- H- and EUH clauses itemized in articles 2 and 3. (if not already listed in these articles).

Pursuant to regulation (EC) No. 1272/2008
not applicable

Pursuant to guideline 67/548/EEC
not applicable
